If you were recently released from incarceration, these additional resources will help you find services and programs that you may need.

BE PREPARED!

If you left your ID at the correctional facility, call the Department of Correction at 860-692-6831 to see if you can obtain it. At the end of this guide there is a section on "How to Replace Documents When You Have Lost All Your Identification Cards".

Note that if searching for shelters, some of the shelters and drop-in centers may require medical information, such as proof that you've had a tetanus shot, and a tuberculosis-free test result. These medical records are obtained from the nursing supervisor at the correctional facility. This guide also includes an "Immunization - Adults" section that lists facilities that provide immunizations.

United Way 2-1-1: You can find information about additional resources that are available by using the 2-1-1 online website, or by calling 2-1-1 and talking with a call specialist. The call center is available 24 hours a day, 7 days a week! Go to www.211ct.org and follow the directions on the web site to locate the type of service, and then the specific resource you need, or: Dial 2-1-1 directly and talk to one of the call specialists who will assist you. You can also reach them, toll-free, at 1-800-203-1234. They can help you locate a resource, provide referrals and crisis intervention services. The service is free and confidential.

CT Department of Social Services: Benefit assistance may also be available by contacting the Department of Social Services (DSS). To find out about the types of services they provide you can reach them at 855-626-6632 or at <http://www.ct.gov/dss/site/default.asp>.

What if you don't have access to a computer? Most public libraries have computers that are available for public use. They require a library card, but if you don't have one, they will issue you a temporary library card if you can show a picture ID or proof of address. If you have no ID, and if you are staying at a shelter, the library can give you a form to be filled out at the shelter.

What if you don't have access to a phone? You can apply for a free cell phone through the SafeLink Wireless Assistance program, 800-977-3768. This online web site lists those who qualify for the program: <https://www.safelinkwireless.com/Enrollment/Safelink/en/Public/NewHome.html> or call 2-1-1 for other free phone services for Connecticut residents.
