If you were recently released from incarceration, these additional resources will help you find services and programs that you may need.

BE PREPARED!

If you left your ID at the correctional facility, call the Department of Correction Public Information Office at 860-692-7780 to see if you can obtain it. At the end of this guide, there is a section on "How to Replace Documents When You Have Lost All Your Identification Cards".

Note that if searching for shelters, some of the shelters and drop-in centers may require medical information, such as proof that you've had a tetanus shot, and a tuberculosis-free test result. These medical records are obtained from the nursing supervisor at the correctional facility. This guide also includes an “Immunization - Adults” section that lists facilities that provide immunizations.

United Way 2-1-1: You can find information about additional resources that are available by using the 2-1-1 online website, or by calling 2-1-1 and talking with a call specialist.
