If you were recently released from incarceration, these additional resources will help you find services and programs that you may need.

### **BE PREPARED!**

If you left your ID at the correctional facility, call the Department of Correction at 860-692-6831 to see if you can obtain it. At the end of this guide there is a section on "How to Replace Documents When You Have Lost All Your Identification Cards".

Note that if searching for shelters, some of the shelters and drop-in centers may require medical information, such as proof that you've had a tetanus shot, and a tuberculosis-free test result. These medical records are obtained from the nursing supervisor at the correctional facility. This guide also includes an "Immunization - Adults" section that lists facilities that provide immunizations.

**United Way 2-1-1:** You can find information about additional resources that are available by using the 2-1-1 online website, or by calling 2-1-1 and talking with a call specialist. The call center is available 24 hours a day, 7 days a week! Go to [www.211ct.org](http://www.211ct.org) and follow the directions on the web site to locate the type of service, and then the specific resource you need, or: Dial 2-1-1 directly and talk to one of the call specialists who will assist you. You can also reach them, toll-free, at 1-800-203-1234. They can help you locate a resource, provide referrals and crisis intervention services. The service is free and confidential.

**CT Department of Social Services:** Benefit assistance may also be available by contacting the Department of Social Services (DSS). To find out about the types of services they provide you can reach them at 855-626-6632 or at <http://www.ct.gov/dss/site/default.asp>.

**What if you don't have access to a computer?** Most public libraries have computers that are available for public use. They require a library card, but if you don't have one, they will issue you a temporary library card if you can show a picture ID or proof of address. If you have no ID, and if you are staying at a shelter, the library can give you a form to be filled out at the shelter.

**What if you don't have access to a phone?** You can apply for a free cell phone through the SafeLink Wireless Assistance program, 800-977-3768. This online web site lists those who qualify for the program: <https://www.safelinkwireless.com/Enrollment/Safelink/en/Public/NewHome.html> or call 2-1-1 for other free phone services for Connecticut residents.
