If you were recently released from incarceration, these additional resources will help you find services and programs that you may need.

**BE PREPARED!**

If you left your ID at the correctional facility, call the Department of Correction Public Information Office at 860-692-7780 to see if you can obtain it. At the end of this guide there is a section on "How to Replace Documents When You Have Lost All Your Identification Cards".

Note that if searching for shelters, some of the shelters and drop-in centers may require medical information, such as proof that you’ve had a tetanus shot, and a tuberculosis-free test result. These medical records are obtained from the nursing supervisor at the correctional facility. This guide also includes an “Immunization - Adults” section that lists facilities that provide immunizations.
