

A Guide to Paying Your Hospital Bill

Categories : [Health Care Payment Assistance/Health Insurance](#)

If you have questions about the charges on your hospital bill, you may ask the hospital for an itemized bill. The line-item bill provides a detailed list of all services and supplies administered to you in the hospital.

For more information go to the Connecticut Office of Health Strategy, A Guide to Paying Your Hospital Bill document: <https://portal.ct.gov/-/media/OHS/ohca/Publications/AGuidetoPayingYourHospitalBillENGpdf.pdf?la=en>

The Office of Health Strategy assists people who have questions about the cost of their hospital treatment or who are having difficulty understanding their financial obligations for hospital care.

How To Find Providers in Connecticut's Community Resources Database:

Search by service names:
