

## Adult Respite Care/Children's Respite Care

**Categories :** [Children and Families](#), [Disability Related Services](#), [Older Adult Programs](#)

### What is Respite Care?

Respite care is a temporary, substitute living arrangement for dependent adults or children which provides a brief period of relief or rest (usually more than twenty-four hours) for the family members, guardians or other people who are their regular caregivers. Also included are services of substitute caregivers that provide respite care services in the individual's own home.

### Respite Care

- provides a break or period of relief for the caregiver of an older adult, a child, or a person with disabilities;
- allows a caregiver to go away for a specified period of time ranging from a couple of hours to a couple of weeks;
- provides personal or supportive care to older adults and people with disabilities;
- for adults, is usually provided by nursing homes, adult day centers, home care agencies, and companion services;
- is not covered by Medicare, but Medicaid might provide some assistance; and
- is sometimes offered by volunteers and may be free or subsidized by public funds.
