211ct.org has a new look and feel. We listened to your feedback to make it visually pleasing and easier to navigate. We will continue to add features and helpful information in the coming year. Among the current new website features are:

- **Common language search** – find what you need without advanced knowledge of professional terminology
- **User-friendly search results** – filter results by radius, view locations on integrated map, and click to call, visit website, or get directions
 - Driving, walking and public transit directions available
 - Send agency details to yourself or others via e-mail and SMS
 - Suggestions of related search terms
 - Over 400 eLibrary papers integrated into search results
 - Direct link in each result detail page to report updated information
- **Location-aware** – uses location info from your device (if enabled) to target searches locally
- **Translation** – built-in translation functionality with support for more than 30 languages (*powered by Google Translate*)
- **Events calendar** – lists upcoming events for programs and agencies that are in the 2-1-1 database
