

The Individualized Education Plan (IEP)

Categories : [Disability Related Services](#), [Education](#)

WHAT IS AN IEP?

An IEP is a written statement of the educational program designed to meet a child's individual needs. Every child who receives special education services must have an IEP.

The IEP has two general purposes:

- to set reasonable learning goals for your child
- to state the services that the school district will provide your child

To read more about IEPs go to the Connecticut Department of Education website: <https://portal.ct.gov/SDE/Special-Education/Planning-and-Placement-Team-PPT-Process-and-Individualized-Education-Program-IEP-Forms>
