

Veterans Medical Services

Categories : [Active Military/Veterans](#), [Older Adult Programs](#)

U.S. Department of Veterans Affairs medical centers, clinics and hospitals provide a range of medical and mental health services to eligible veterans. Information on medical facilities in Connecticut can be found at the VA Connecticut Healthcare System website: www.connecticut.va.gov/

Eligibility

- Must be a honorably discharged veteran with;
 - any number of days wartime duty, OR
 - at least 90 days of active duty served before Sept. 1980, OR
 - at least 2 years active duty served after Oct. 1981
- Current and former members of the Reserves or National Guard called to active duty (other than for training only) by a federal order and completed the full period for which they were called or ordered to active duty may be eligible for VA health care.

Prescriptions

Eligible veterans can receive prescription medications for outpatient treatment at a nominal cost. Medications must be prescribed by a VA health care provider and be on the VA's Drug Formulary

list: www.pbm.va.gov/nationalformulary.asp

The VA will not charge a veteran for co-payments under certain circumstances. Further information can be found at the VA web site: <http://www.va.gov/healtheligibility/costs/OutpatientPrescriptionCopoly.asp>

Dental Care

Dental care services has limitations and may have special eligibility criteria. In Connecticut, the Soldier's, Sailors' and Marines' Fund (SSMF) will help needy veterans pay for dental expenses if the veteran is eligible for assistance under SSMF guidelines. Further information can be found at the SSMF website: <https://www.alctssmf.org/>

Veterans with Other Health Coverage

Eligible veterans covered by other health insurance can also enroll in the VA health care system and use the VA system as a primary or secondary insurer.

To Enroll

Any veteran who wants to seek medical services must fill out an application to enroll for services. Veterans must present DD214 at time of enrollment and a copy of current insurance care (including Medicare or Medicaid). For questions on eligibility, call 203-932-5711, ext. 3328.

Enroll in person at a veteran's health center; or apply online or download an application form from: www.1010ez.med.va.gov/sec/vha/1010ez/
