The Behavioral Health Recovery Program assists eligible participants with clinical and basic recovery supports as well as community-based intensive case management services. The program is for HUSKY D/Medicaid recipients with behavioral health needs. Behavioral Health Recovery Program (BHRP) provides financial assistance to HUSKY D/Medicaid for Low Income Adults (LIA) recipients who are temporarily unemployed and in need of clinical and recovery supports that cannot be met by other community resources. These supports include recovery housing, independent housing, and gift cards for basic needs items. The program also offers coverage for intensive and long-term substance abuse residential treatment, when those services are determined to be medically necessary. The Department of Mental Health has contracted with ABH as the administrative service organization for the BHRP. ABH reviews and authorizes requests by treatment providers and vendors for the provision of these services. OTHER INFORMATION: Direct payments are mailed to vendors (i.e. housing).

**BE PREPARED!**

If you left your ID at the correctional facility, call the Department of Correction Public Information Office at 860-692-7780 to see if you can obtain it. At the end of this guide there is a section on "How to Replace Documents When You Have Lost All Your Identification Cards".

Note that if searching for shelters, some of the shelters and drop-in centers may require medical information, such as proof that you’ve had a tetanus shot, and a tuberculosis-free test result. These medical records are obtained from the nursing supervisor at the correctional facility. This guide also includes an “Immunization - Adults” section that lists facilities that provide immunizations.
